Application Instructions

Circled letters on the form above correspond to the instructions below. You must complete all shaded areas.

- **A.** Do not leave blank. Enter "N/A" if not applicable or if you are a first time voter.
- **B.** Provide the complete street address of your Illinois voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Item 7. For example: "on Highway ______, 2 miles past Highway ______, across the street from the _____ gas station." This address must be different from the one provided in Item 4 and must be within the county where you claim legal voting residence.
- **C.** Print the complete address where you want your ballot sent usually your current mailing address.

Your current mailing address must be different from the address you provided in Item 3.

- **D.** If you do not list a party affiliation, you cannot vote in primary elections. You must indicate your political party affiliation when applying for a primary ballot (Example: Democrat, Republican) or write "none" in Item 6 of the FPCA. Political party choice is not required if only requesting absentee ballots for general elections.
- **E.** Check ONE box. U.S. Government employees must check "a" as defined in Section I(A) below.
- **F.** The applicant must sign and date the FPCA for it to be processed by the local election official.

I. UNIFORMED SERVICES

A. Who Can Do It

These procedures apply to persons who are U.S. citizens, residents of Illinois and members of the U.S. Service. Defined as:

- Members of the Uniformed Services and their family members when residing with them or accompanying them. Uniformed Services are defined as the U.S. Armed Forces, merchant marine, commissioned corps of the Public Health Service and the National Oceanic and Atmospheric Administration.
- U.S. Government employees serving outside the U.S.

B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year (for local, state and Federal offices).

Illinois waives your registration.

- (1) To apply for an absentee ballot, the local election official must receive your FPCA ballot request not later than 10 days before the election.
- (2) Return your voted ballot to the local election official so that it arrives in sufficient time for delivery to polling place which closes at 7 p.m. on election day.

Local election officials send regular absentee ballots 45 days before a primary or special election and 60 days before the general election.

If regular absentee ballots are not available 60 days before the general election, local election officials mail a Special Write-In Absentee Voter's Blank ballot with a list of candidates who have qualified to be on the ballot and all referenda for which the voter is qualified to vote.

If you are outside the U.S. and have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instruction in Chapter 2, page 12.

C. Oath/Witness Requirements

No registration or voting materials are sworn to or witnessed.

D. Electronic Transmission of FPCAs and Ballots

- Illinois allows you to send your FPCA applications for an absentee ballot by fax if you are a member of the Armed Forces. After faxing, submit the FPCA by mail.
- Illinois does not allow you to receive the blank ballot by fax.
- Illinois does not allow you to return the voted ballot by fax.

Please refer to Appendix D for specific instructions when transmitting election materials electronically. Use only the following numbers:

DSN 223-5527 (703) 693-5527 1-800-368-8683

E. Application For Ballot By Proxy

If you are a member of the U.S. Service, and your spouse, dependent, mother, father, sister, or brother is registered to vote in your election precinct of voting residence, he or she may use a special application provided by the election official to request that an absentee ballot be mailed to you.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

II. CIVILIANS OUTSIDE U.S.

These procedures apply to persons who are U.S. citizens, residents of Illinois and overseas citizens. The term "overseas citizen(s)" means a U.S. citizen who resides outside the U.S. and (but for such residence) would be qualified to vote in Illinois.

A. Who Can Do It

- Illinois residents temporarily residing outside the U.S. (Consult Section B below for ballot type eligibility)
- overseas citizens (for Federal office ballots only)

B. When To Do It

You may use a single FPCA to request ballots for all elections in a calendar year.

(1) If you are an unregistered Illinois resident temporarily residing outside the U.S., the local election offi-

cial must receive your FPCA not later than 30 days before the election. You will receive a state registration form along with a ballot for local, state and Federal offices. However, if your FPCA arrives less than 30 days, but not later than 10 days before the election, registration is waived and the local election official will send you a ballot for Federal offices only.

If you are a registered Illinois resident temporarily residing outside the U.S., the local election official must receive your FPCA not later than 10 days before the election. You will receive a ballot for local, state and Federal offices.

If you are an overseas citizen, the local election official must receive your FPCA not less than 10 days before the election. Your registration is waived and you will be sent a ballot for Federal offices only.

(2) Return your voted ballot to the local election official so that it arrives in sufficient time for delivery to the polling place which closes at 7 p.m. on election day.

Local election officials send regular absentee ballots 45 days before a primary or special election and 60 days before the general election.

If regular absentee ballots are not available 60 days before the general election, local election officials mail a Special Write-In Absentee Voter's Blank ballot with a list of candidates who have qualified to be on the ballot and all referenda for which the voter is qualified to vote.

If you have not received your state ballot in a timely manner, use the Federal Write-In Absentee Ballot. See instructions in Chapter 2, page 12.

C. Oath/Witness Requirements

Neither the FPCA, the state ballot application form, nor the ballot return envelope is sworn to or witnessed.

If you are an unregistered Illinois resident temporarily residing outside the U.S. and wish to vote a ballot for local, state and Federal offices, you may be required to have the state registration form sworn to before a person or officer authorized to administer oaths.

D. Electronic Transmission of FPCAs and Ballots

Illinois does not allow electronic transmission of the FPCA, the blank absentee ballot or the voted absentee ballot.

Instructions continue in Section III: Uniformed Services & Civilians Outside U.S.

III. UNIFORMED SERVICES & CIVILIANS OUTSIDE U.S.

A. Bars to Registration and Voting

Persons imprisoned for any crime may not register or vote. However, persons on parole are not prohibited from voting.

B. Cancellation of Registration

Registration is suspended unless a confirmation notice mailed to the registrant is returned prior to the next election. An application for ballot will reactivate the full registration during the period of two years if the registrant has not changed Illinois residence.

C. Action on Registration Requests

Notice of registration is sent by mail after an affidavit of registration is completed in duplicate and returned to the local election official.

D. Action If Registration Is Denied

Persons denied registration may appeal to the circuit court. Persons seeking to appeal should consult a legal assistance officer or civilian counsel.

E. Late Registration

Members of the U.S. Armed Forces or merchant marine or those discharged within 60 days of an election, who return to Illinois too late to register for the upcoming election are still entitled to vote in person in that election only by affidavit. Registration is not required.

F. Where To Send It
